My dear Effa:

I should like very much to be your guest at the opening of the Eagles Home on Sunday, May 5th. However, I am unable at this time to accept your invitation definitely. It is very probable that I shall leave town on May the 4th, to be gone for some time. In the event that my plans change and I do not leave until Monday, I shall be most happy to come. In the meantime, let me wish for you every success for the team.

With cordial good wishes to both you and Abe, I am

Cordially yours,

Eunice
